Any Cash reserved for the benefit of holders of Disputed Claims shall be held by the Reorganized Debtors in an interest-bearing account. No payment or distribution shall be made with respect to all or any portion of any Disputed Claim pending the entire resolution of the Claim by a Final Order.

At the time a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder of the Allowed Claim shall receive the payment(s) and distribution(s) to which it is then entitled under the Plan, together with any interest that has accrued on the amount of cash so reserved, but only to the extent that the interest is attributable to the amount of the Allowed Claim. Such payment(s) shall be made as soon as practicable after the date the Bankruptcy Court enters a Final Order allowing such Claim but in no event later than 30 days after the date of the Final Order. Any Cash reserved for but not necessary to pay an Allowed Claim shall be retained by the Reorganized Debtor. Disputed Claims which are disallowed shall receive nothing to the extent they are disallowed.

ARTICLE V

MEANS FOR IMPLEMENTATION AND EXECUTION OF THE PLAN:

5.1 ***Cash for Payments to Creditors on and after the Effective Date.*** All payments to

Creditors shall be from the Sale Proceeds, Cash on hand on the Effective Date, Sale of the Fond Du Lac Properties and Arizona Property, and the regular income of the Debtor. A cash flow budget prepared internally by the Debtor, his accountant, and his counsel is attached as **Addendum 2** to the Plan. This budget is forward looking, contains estimates and assumptions, and may not reflect actual outcomes of the Debtor's operations. The Debtor may file a revised Addendum 2 at any time prior to the Confirmation Date.

5.2 Sale of Fond Du Lac Properties and Arizona Property. The Reorganized Debtor will begin marketing the Fond Du Lac Properties for sale with the intent to sell in 2018. Within 30 days of the Effective Date the Debtor will engage a real estate broker familiar with the regional market to market and broker the sales. The Debtor has had initial talks with representatives of First Weber. The estimated time for sale is 3-6 months on market. Any net sale proceeds will first be used to pay the balance of any Class 2 Allowed Priority Unsecured Tax Claims. The balance of any sale proceeds will be retained by the Reorganized Debtor. The Reorganized Debtor will begin marketing the Arizona Property after the sale of the Fond Du Lac Properties with the intent to sell in 2019. The balance of the sale proceeds will be retained by the Reorganized Debtor.

5.3 Debtor's Management. The Debtor shall manage his affairs after the Effective Date.

5.4 Withholding Taxes. The Reorganized Debtor shall withhold from distributions under the Plan any property which must be withheld for taxes payable by the Person entitled to such property to the extent required by applicable law.

5.5 Professional Fees and Expenses. Each Person retained or requesting compensation in this case pursuant to §§ 327, 328, 330, 503(b) or 1103 of the Code shall be entitled

to file an application for allowance of final compensation and reimbursement of expenses in the case by the date set by the Court.

5.6 *Mailing and Unclaimed Distributions.* All distributions made by mail will be made to (a) the latest mailing address filed of record with the Bankruptcy Court for the party entitled thereto, (b) if no such mailing address has so been filed, the mailing address reflected in the schedule of assets and liabilities filed by the Debtor, or (c) any other address known to Debtor. Any unclaimed distributions which would otherwise have been disbursed to a Creditor with respect to an Allowed Claim shall be retained as property of the Reorganized Debtor if the Creditor cannot be located.

5.7 *Responsible Person.* Except as otherwise may be provided herein, the Reorganized Debtor shall be responsible for their execution and implementation of the Plan.

5.8 *Re-vesting of Property.* The Reorganized Debtor shall retain all of their property, whether acquired before or after the Petition Date, which shall be vested in them upon confirmation free and clear of all liens and encumbrances except as provided in the Plan, subject only to the requirements imposed by Article III of the Plan and encumbrances of governmental authorities and utilities for easements and services.

5.9 *Settlement of Actions Brought by the Debtor.* The Reorganized Debtor may settle or compromise any action brought by it without notice or Court approval.

5.10 *Preference, Fraudulent Conveyances and Avoidance Actions.* Except for (i) causes of action against a person or entity which is not a Creditor and (ii) causes of action included in any objection by the Debtor or Reorganized Debtor to a proof of claim filed by the date for such objections set by the Court, the Debtor will not bring any preferential transfer, fraudulent

conveyance or other avoidance action under Chapter 5 of the Code against any Creditor. All avoidance actions under Chapter 5 of the Bankruptcy Code against Creditors preserved in the Plan vest in the Reorganized Debtor.

5.11 Confirmation of the Plan Without Approval of Classes Entitled to Priority Over Class 5. If any Class is entitled to vote and votes to reject the Plan, the Debtor shall request that the Court cram the Plan down pursuant to § 1129(b) of the Code.

5.12 Payment of U.S. Trustee Fees. The Reorganized Debtor shall pay all fees due after the Confirmation Date pursuant to 28 U.S.C. § 1930 until the case is closed.

5.13 Professional Fees. The Reorganized Debtor shall not pay any professional fees or costs incurred before the Confirmation Date except as approved by the Court or otherwise allowed by law. The payment of any professional fees or costs after the Confirmation Date to implement the Plan shall only be made if such fees and costs are reasonable.

5.14 Creditors Asserting 506(b) Claims. Any Creditor claiming fees, charges, costs or interest pursuant to section 506(b) of the Code shall file its 506(b) Claim with the Bankruptcy Court within 30 days of the Confirmation Date. Unless otherwise ordered by the Bankruptcy Court, the Debtor or Reorganized Debtor shall have 21 days from the filing of a 506(b) Claim to object in whole or in part. All objections shall be litigated to Final Order; provided, however, that the Reorganized Debtor may compromise and settle objections to 506(b) Claims without notice, unless such notice is requested by any party in interest, and without the approval of the Bankruptcy Court. Any portion of a 506(b) Claim agreed upon by the Reorganized Debtor or Allowed by the Bankruptcy Court shall be added to such Creditor's Allowed Secured Claim and paid pursuant to the Plan.

ARTICLE VI

EXECUTORY CONTRACTS AND UNEXPIRED LEASES:

All executory contracts and unexpired leases not specifically rejected in this Plan or otherwise dealt with during the bankruptcy case are assumed. The amounts necessary to cure any defaults of executory contracts or unexpired leases through the Confirmation Date are deemed to be the “Arrearage Amounts” stated on the attached **Addendum 5.0** unless the party to an executory contract or unexpired lease files and serves on the Debtor’s attorney an objection to such amount before the date set by the Bankruptcy Court for returning ballots voting on the Plan. The objection must state the amount which the party asserts is due to cure any default on the payment terms specified in the Plan. If an objection is filed, the Court shall determine the proper amount necessary to cure any default as required by § 365(b) of the Code. The Debtor and the Reorganized Debtor reserve the right to reject an executory contract or unexpired lease for which an objection described in this paragraph of the Plan is filed by filing a motion to approve such rejection at any time within 20 days after an order resolving the objection to the Arrearage Amount becomes a Final Order. The defaults with respect to the unexpired leases and executory contracts to be assumed under the Plan shall be paid on the Effective Date.

ARTICLE VII

AMENDMENTS AND WAIVER:

Except as otherwise provided in the Plan and § 1127 of the Code, any term of the Plan may be amended or modified at any time, and the enforcement and observance of any term of the Plan may be waived at any time provided that all holders of Claims affected by the amendment or waiver have received notice of the proposed amendment or waiver and have not objected in writing

within a reasonable period of time and, in any event, any period of time which may be set by the Bankruptcy Court.

ARTICLE VIII

EFFECT OF CONFIRMATION:

8.1 *Discharge of Debtor.* Except as otherwise provided in the Plan or the Order of Confirmation, the Order of Confirmation vests all of the property of the estate in the Debtor free and clear of all claims and interests of Creditors. Upon completion of all Plan payments or as otherwise provided in Section 1141 of the Code, the Debtors will receive a discharge. Until a discharge is granted, the automatic stay provisions of Section 362 of the Code still apply. The provisions of the Plan shall be binding upon the Debtor and any Creditor, whether or not such Creditor has accepted the Plan and regardless of whether the Claims of such Creditor are impaired under the Plan.

8.2 *Injunction.* The Order of Confirmation will provide, *inter alia*, that all Persons who have held, hold or may hold Claims are permanently enjoined from and after the Effective Date from:

(a) commencing and continuing in any manner any action or other proceeding of any kind with respect to any such Claim against the Reorganized Debtor, or any of their directors, officers, agents, employees, representatives, financial advisors, attorneys, accountants or affiliates of any such parties in their representative capacities as agents or employees of the Debtors;

(b) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against the Reorganized Debtor or any of their officers, directors, agents, employees, representatives, financial advisors, attorneys, accountants or affiliates of any

such parties, or the property of such parties with respect to such Claim;

(c) creating, perfecting or enforcing any encumbrance of any kind against the Reorganized Debtor or any of their agents, representatives, financial advisors, attorneys or accountants of any such party or against the property of any such party or property of the Debtor, with respect to any such Claim;

(d) asserting any right of set-off, right of subrogation or recoupment of any kind against any obligation due Debtors, any of their agents, employees, representatives, financial advisors, attorneys, accountants or any affiliates of any such parties, or against the property of any such parties of the property of their affiliates, with respect to such Claim; and

(e) commencing or continuing in any manner any action or other proceeding of any kind with respect to any Claim.

8.3 *Consummation.* Upon substantial consummation of the Plan, the Reorganized Debtor may move for a final decree closing the Case and requesting such orders as may be just and equitable.

ARTICLE IX

RETENTION OF JURISDICTION:

The Bankruptcy Court may retain jurisdiction over this Case, until the Plan has been fully consummated, for all appropriate purposes including, but not limited to, the following:

9.1 To hear and determine all applications for compensation of professionals under §§ 330 and 331 of the Code.

9.2 To classify or reclassify the Claim of any Creditor and to resolve any and all objections filed against any Claim. Any failure of the Reorganized Debtor to object to or to

examine any Claim for purposes of voting shall not be deemed a waiver of the Reorganized Debtor's right to object to or to re-examine any Claim in whole or in part.

9.3 To determine all questions and disputes arising under the Plan including those regarding title to or interests in the Reorganized Debtor's assets as well as the resolution of all Claims, causes of action, controversies, disputes or conflicts, including any preference, fraudulent conveyance or avoidance action pending as of the Confirmation Date and for which jurisdiction is specifically retained in the Plan.

9.4 To correct any defect, cure any omission or reconcile any inconsistency in the Plan or the Order of Confirmation necessary to carry out the purposes and intent of the Plan.

9.5 To modify the Plan after confirmation.

9.6 To enforce and interpret the terms and conditions of the Plan and to enforce all of the orders entered by the Bankruptcy Court.

9.7 To enter any order, including orders for injunctive relief, necessary to enforce the title, rights and powers of the Debtor or Reorganized Debtor as well as the imposition of such restrictions, limitations, terms and conditions as the Bankruptcy Court may deem necessary.

9.8 To supervise or approve any aspect of any Claim that might be pursued on behalf of the Debtor or Reorganized Debtor or any Creditor.

9.9 To resolve all adversary actions brought in the Debtor's case.

9.10 To enter any order concluding and terminating the case.

ARTICLE X

CONDITIONS PRECEDENT TO EFFECTIVENESS:

The Effective Date of the Plan shall occur when each of the following conditions has been

met or has been waived in writing by the Debtor and such writing has been filed with the Bankruptcy Court:

10.1 The Order of Confirmation shall have been entered by the Bankruptcy Court without any stay.

10.2 There has not been an appeal of the Confirmation Order filed.

10.3 Ten business days have passed after the last date for an appeal of the Confirmation Order to be filed.

ARTICLE XI

MISCELLANEOUS:

11.1 The headings in the Plan are for convenience and reference only, and shall not limit or otherwise affect the text of the Plan.

11.2 The rules of construction used in Section 102 of the Code shall apply to the construction of the Plan.

11.3 All fees under 28 U.S.C. § 1930, due to the U.S. Trustee, that have not been paid shall be paid within 10 days of the Confirmation Date.

11.4 The liens of all Creditors that have been discharged or avoided shall be released of record prior to any cash distribution or delivery of any property under the Plan to such Creditors.

11.5 The liens of every Creditor with a Claim that is disallowed or whose lien is avoided shall be void and shall be rendered void by the recording in the appropriate place of record of a certified copy of any order disallowing the Claim or avoiding the lien.

11.6 Any orders entered or agreements approved by the Bankruptcy Court for the use of cash collateral, for adequate protection or for payments in lieu of the lifting of the automatic stay

shall be terminated. At that time, the relationship between the respective parties shall be governed by the Plan.

11.7 Unless otherwise provided for in the Plan, no holder of an Allowed Unsecured Claim shall be entitled to the accrual of post-petition interest on account of such Claim.

11.8 Any documents necessary to effect the provisions of the Plan will be filed with the Bankruptcy Court before the hearing on confirmation.

11.9 The attorney fees and costs to administer consummation of the Plan shall be reasonable.

ARTICLE XII

CONCLUSION:

The Plan reflects the Debtor's best efforts to reorganize their business in a manner that preserves their continued viability, advances the interests of creditors, and complies in all aspects with the requirements of the Code.

**STIPULATION RESOLVING THE MOTION OF TOYOTA MOTOR CREDIT
CORPORATION FOR ABANDONMENT AND RELIEF FROM THE
AUTOMATIC STAY AND PROVIDING ADEQUATE PROTECTION**

This matter came before the Court on the motion (“Motion”) of Toyota Motor Credit Corporation (“Toyota”) seeking an order for abandonment and relief from the automatic stay with respect to the Debtor’s 2014 Toyota Camry, VIN:4T4BF1FK7ER356078 (the “Vehicle”). (*See* Docket No. 116.)

WHEREAS, the Debtor is a pharmacist and provides temporary services to pharmacies filling in for vacancies. The Debtor’s job requires him to travel extensively. The Vehicle is necessary for his employment.

NOW, THEREFORE, to resolve the Motion, the parties hereby stipulate and agree to the following terms:

1. Beginning on February 28, 2018, the Debtor shall pay a monthly adequate protection payment to Toyota in the amount of \$141.98 (“Payment”) with respect to the Vehicle. The Payment shall continue monthly, due to Toyota by the 28th day of each month and shall be drawn by check from the Debtor’s accounts. 2. The Payment shall constitute sufficient adequate protection under 11 U.S.C § 361 and shall satisfy any interest on Toyota's allowed secured claim under 11. U.S.C § 506(b).

3. In addition to the Payment, the Debtor shall pay to Toyota a catch up payment of \$6,260.45 for all past due post-petition amounts as described in the Motion (the "Catch-up Payment") by end of business, Tuesday, July 31, 2018.
